

## EMISSION SOURCES - MAXIMUM ALLOWABLE EMISSION RATES

Permit No. 43182

This table lists the maximum allowable emission rates for all sources of air contaminants covered by this permit.

### AIR CONTAMINANTS DATA

| Emission<br>Point No. | Source<br>Name  | Air Contaminant<br>Name (1) | <u>Emission Rates</u> |         |
|-----------------------|-----------------|-----------------------------|-----------------------|---------|
|                       |                 |                             | lb/hr                 | TPY (2) |
| A-1                   | Vapor Degreaser | VOC (3)                     | 6.29                  | 12.50   |

(1) VOC - volatile organic compounds as defined in 30 TAC Section 101.1

(2) For any 12-consecutive month period.

(3) Fugitive emission

Dated December 19, 2000
